Dear Mr. Palousek:

This case is currently pending before the National Labor Relations Board on the Acting General Counsel's Motion for Default Judgment filed on June 7, 2012. The Acting General Counsel's Motion is based on the Respondent's failure to file an answer to the Consolidated Complaint and Notice of Hearing issued by NLRB Region 5 on April 27, 2012.

By letter dated August 20, 2012, you were advised that the Respondent was required to provide proof to the Board by September 4, 2012 that it had served its "Original Answer and Response to Order to Show Cause" on the Charging Parties in this case. The letter stated that failure to file an affidavit of service by September 4 could result in the rejection of the Respondent's Original Answer and Response to Order to Show Cause.

To date, the Respondent has not filed the required affidavit of service. Accordingly, the Respondent's Original Answer and Response to Order to Show Cause cannot be forwarded to the Board, and it is rejected because it was not properly served on all the parties, pursuant to Section 102.114 of the Board's Rules and Regulations.

Very truly yours,

Henry S. Breiteneicher  
Associate Executive Secretary
